

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No
If “No” click on “Next” or “Save & Next” below to move to the next screen.

3B. Project Description

1. Provide a description that addresses the entire scope of the proposed project.

SAFE Haven of Racine, Inc. offers services to Racine’s most vulnerable youth, including those that are homeless, abused, neglected, have runaway or otherwise at risk. SAFE Haven presently provides shelter for youth ages 10-17. SAFE Haven sees a need for housing for those youth who are 18-24 who are homeless due to any number of circumstances. Young persons often have not had the time or opportunity to develop the skills they need to become self-sufficient and independent. Many have experienced various forms of trauma. Those youth who use SAFE Haven’s services and are approaching 18 have few options available to them. SAFE Haven staff work hard at family reunification, but for youth who have lived in foster care or with extended family this is not always possible. SAFE Haven will provide Rental Assistance for 5 scattered site apartments in the City of Racine and/or Racine County including 2–0 bedroom units, 2-1 bedroom units, and 1 2-bedroom unit to accommodate a parenting youth. The project anticipates serving 5 adults and one accompanied child. Persons will meet VI-SPDAT assessment criteria and be referred to the program through a coordinated assessment and prioritization process. SAFE Haven is also working closely with the Racine Coalition Against Human Trafficking. Once rescued, law enforcement officials are often at a loss as to where to house young victims. Rapid Re-housing could provide solutions. Participants will receive rental assistance for up to 24 months while they develop their strengths and improve their skills. Participants will be provided with opportunities to stabilize their situations, increase their resiliency and become independent. SAFE Haven will provide a.40 FTE equivalent case manger. This individual already provides case management services to another SAFE Haven PSH rental assistance project and is familiar with the barriers that homeless youth experience to finding stable housing. Through case management, program participants will have access to educational opportunities, employment readiness training, counseling and AODA treatment, domestic violence interventions, driver license recovery, mainstream benefit assistance, legal services through Legal Action of Wisconsin, parenting resources and other services and programs they may require. Additionally the project will provide assistance with transportation through bus passes until participants are able to obtain transportation on their own, utility deposits if needed, and assistance with budgeting. Outcome goals include that: 1. 83% of persons will be placed in permanent housing within 30 days of entry into the project. 2.60% of adults increase their total income at the end of the operating year. The program will comply with established standards set for Rapid Re-housing programs, HUD eligibility requirements, supportive services criteria and performance outcomes. SAFE Haven uses the required HMIS and will enter all participants.

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2017 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2017, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.
