- Welcome to those in attendance
- Gai provided the group with background information regarding how the Racine CoC came to be structured. She gave a short primer related to the HEARTH Act
- Discussion relating to the role of the Leadership Council per the CoC regulations
- Discussion relating to reviewing HUD CoC regulations and examining our compliance areas for strengths and weaknesses, so we are able to better gauge our performance and direct future strategies as a CoC.
- Teresa Report
  - We have contracted with Image Management to revamp our website and create a logo
  - We have developed a job description to hire an intern

Per discussion, Teresa will send handouts for March meeting:

- CoC regulation requirements for Leadership Council/Boards
- Logo samples
- List from Notice of Funding Availability (NOFA) with examples of people and organizations which should have voice on a leadership council/board

Next meeting date set for March 03, 2020 (Location to be announced).
