# **Before Starting the Project Application**

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

#### Things to Remember:

- Additional training resources can be found on the HUD.gov at https://www.hud.gov/program offices/comm planning/coc.

- Questions regarding the FY 2021 CoC Program Competition process must be submitted to CoCNOFO@hud.gov.

- Questions related to e-snaps functionality (e.g., password lockout, access to user's application account, updating Applicant Profile)must be submitted to e-snaps@hud.gov.

- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2021 Continuum of Care (CoC) Program Competition. For more information see FY 2021 CoC Program Competition NOFO.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2021 CoC Program NOFO.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2019 Project Application will be imported into the FY 2021 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2021 CoC Program Competition NOFA.

# **Information About Submission without Changes**

Follow the instructions below making note of the exceptions and limitations to the "Submit Without Changes" process.

In general, HUD expects a project's proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Due to e-snaps limitations, only previously submitted renewal applications can import data into the FY 2021 renewal project application. The data from previously submitted new and renewal project applications can be imported into a FY 2021 renewal project application. The "Submit without Changes" process is not applicable for:

- first time renewing project applications
- a project application that did not import last FY 2019 information
- a project that had Issues or Conditions that were addressed in FY 2019 Post-Award and updates need to be reflected in the FY 2021 project application
- a project that had amendments approved in FY 2019 or FY 2020 that need to be reflected in the FY 2021 project application

e-snaps will automatically be set to "Make Changes" and all questions on each screen must be updated.

Renewal projects that brought forward data from FY 2019 and have either a Leasing budget, Operating budget or use HUD PAID RENTS (Actual Rents) instead of FMR MAY NOT use the "Submit Without Changes" process and e-snaps will automatically be set to "Make Changes". All Leasing and Operating budgets, along with Rental Assistance budgets that use HUD PAID Rent will need to be updated in the application. Refer to the GIW posted on the HUD Exchange for accurate budget information on leasing and operating budgets and refer to the HUD PAID RENT document sent by your field office from HUD HQ to accurately set your rental assistance budgets that use HUD PAID rents. This will only impact the FY 2021 competition.

The e-snaps screens that remain "open" for required annual updates and do not affect applicants' ability to select "Submit without Changes" are:

- Recipient Performance Screen
- Consolidation and Expansion
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in "Read-Only" format and should be reviewed for accuracy; including any updates that were made to the 2019 or 2020 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select "Submit Without Changes" in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: "Submission Without Changes" Screen, select "Make Changes", and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click ""Save"" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks ""Save", the project applicant cannot uncheck the box.

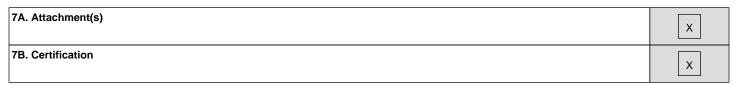

Please refer to the Detailed Instructions found on the left side menu of e-snaps or hud.gov to find more in depth information about applying under the FY 2021 CoC Competition.

1. Expansions and Consolidations will submit individual applications.

a. Expansions will ONLY submit a Stand-Alone Renewal application and a Stand-Alone New application.

b. Consolidations will ONLY submit individual renewal project applications, identifying the renewal application that will survive, and the renewal applications that will terminate. Up to 10 grants may be included in a consolidation.

2. HUD HQ will combine the data (e.g., units, budgets) for Expansion or Consolidation requests from the individual project applications selected for conditional award and provide a data report with further instructions for the field office and conditional recipient.

# 1. Provide a description that addresses the entire scope of the proposed project.

HOPES Rapid Rehousing is a renewal project that will serve families with children who are literally homeless at the time of project entry. RRH participants receive housing search and placement assistance, rental assistance, and voluntary supportive services for a period of 12 months. The duration of assistance may be extended, but rental assistance may not exceed a total of 24 months. Participant income is assessed every six months and participants who have an income are required to contribute 30% of their adjusted incomes towards their housing after they have been in their unit for six months. Participants develop a housing stability plan with their RRH case manager, with whom they meet monthly. Voluntary supportive services are offered by the case manager, as well as partner providers that include mainstream service providers such as Workforce Solutions (Racine County), and Division of Vocational Rehabilitation (DVR). Racine Vocational Ministry offers employment readiness training, employment assistance, and other training and support to strengthen housing stability.

Participant housing stabilization plans and supportive services are intended to achieve the following outcomes:

- 1. Increase income from the time of program entry to progam exit.
- 2. Exit into permanent housing
- 3. Retention of housing for at least 24 months after exit.

# 2. Check the appropriate box(s) if this project will have a specific subpopulation focus. (Select all that apply)
