2B. Experience of Applicant, Subrecipient(s), and Other Partners

1. Describe your organization's (and subrecipient(s) if applicable) experience in effectively utilizing Federal funds and performing the activities proposed in the application.

Women's Resource Center of Racine, Inc. (WRC) and its newly acquired program (through merger) Bethany Apartments, have been providing a full spectrum of domestic violence services including transitional housing and supportive services since 1977. Both WRC and Bethany have been the recipients of HUD funding in the past. HUD was the original funder for Bethany Apartments and continuously funded the program until 2015. Beginning in 2017, Bethany Apartments is the ongoing recipient of federal funding through the U.S. Department of Justice, Office on Violence Against Women, Transitional Housing for Victims of Domestic Violence, Sexual Assault and Stalking program. WRC is proposing to provide similar and expanded housing services to survivors of domestic violence if awarded this project through the Bethany Apartments program. The Bethany Apartments program has used federal funds from various sources to provide all of the services described in this application since its inception. The sole purpose of Bethany Apartments has been to ensure that survivors of domestic violence have access to affordable and ultimately permanent housing that is safe. All funds federal and other have been directed to this end for over 32 years. WRC uses funding to ensure the hiring of individuals with expertise in providing housing and trauma informed services and programs specifically targeting survivors. Staff qualifications ensure that high quality and survivor-driven services are offered. Bethany Apartments has been the primary provider of housing to victims of domestic violence following stays at shelter when no other supportive, trauma informed services are available. WRC and Bethany recognize that survivors of domestic violence, although homeless, need additional support and services than might someone simply transitioning out of homelessness. All WRC programs including Bethany Apartments subscribe to the philosophies and approaches proscribed by the Office on Violence Against women and will use HUD funding to provide housing and supportive services that align with the special needs of those who have experienced domestic violence and other interpersonal abuse.

2. Describe your organization's (and subrecipient(s) if applicable) experience in leveraging Federal, State, local and private sector funds.

Women’s Resource Center and the Bethany Apartments program (Bethany) have successfully leveraged sufficient resources, cash and in-kind, to sustain and enhance HUD CoC (SHP), CDBG, and ESG State of Wisconsin, Racine County and local funding for over 47 years. Sources of funding to sustain all programs historically and in the current budget year include the Wisconsin Department of Children and Families, the Wisconsin Department of Justice, the Wisconsin Department of Administration, VOCA, the U.S. Department of Justice, Office on Violence Against Women, United Way of Racine County, S.C. Johnson & Son (private) , Sisters of St. Dominic Mission Fund (private), Racine Community Foundation, local churches/service organizations, and several large and small private donors . Long-standing relationships with the CoC partners, mainstream resource providers, and other community stakeholders provide the foundation for a high level of historical support for WRC, Bethany and its mission. Staff and board members participate in non-profit seminars and training to develop expertise in this area. Additionally, WRC works with the CoC to develop CoC wide initiatives to leverage all sources of funds with other cash and in-kind resources. The WRC Board of Directors has an active development plan that addresses the current and ongoing needs of the organization as well as the needs of those we serve. The board looks to the sustainability of the organization and prioritizes the need for housing for victims of domestic violence.

3. Describe your organization’s (and subrecipient(s) if applicable) financial management structure.

Women’s Resource Center of Racine, Inc. and its programs(including Bethany), maintains a robust non-profit organizational structure and accountability processes and procedures. A volunteer board of directors governs the organization, comprising corporate and professional leaders in fields such as housing, education, law, health, finance, and employment, as well as formerly homeless program participants. The Business Administration Committee of the Board of Directors oversees the finances and accountability of the organization. Organizational Management is the purview of the Executive Director and the Chief Financial Officer who are responsible for maintaining the integrity of programmatic and financial components, which include fiscal accountability, participant eligibility and outcomes data, facility management, and community relationships with CoC partners, mainstream resource service providers, and stakeholders. An external accountant performs day-to-day financial services. WRC maintains fiscal policies that address internal controls and separation of duties. The Executive Director has worked with the agency for six years and the Chief Financial Officer is the former Executive Director of both WRC and Bethany and holds a Law Degree and a master’s degree in human services administration. Management staff have over 40 years’ experience in social service delivery including federal, state local and private funds administration. Women’s Resource Center submits to an annual independent financial audit on a yearly basis, and no irregularities have been noted by the reviewer.

Women’s Resource Center of Racine, Inc. (WRC)also DBA Bethany Apartments, proposes to provide housing and supportive services to victims of domestic violence, in the city and county of Racine, Wisconsin. Housing will take the form of scattered site apartments with supportive services being provided through home visits and on-site at the WRC Headquarters located at 1547 College Ave., Racine, WI and at the Bethany Apartments, 806 Wisconsin Avenue, Racine, WI 53403. WRC is a non-profit organization that has provided a full spectrum of survivor services for 47 years. A recent merger allowed WRC to acquire Bethany Apartments, a transitional housing program specifically serving survivors of domestic abuse. In addition to the services provided by WRC and Bethany Apartments, to ensure full implementation and sustainability this project, WRC will partner with the Continuum of Care for the City and County of Racine, (CoC) Racine Vocational Ministry, Inc. (RVM) for employment assistance and other CoC members.

WRC provides emergency shelter and supportive services to victims of domestic violence and sexual assault. Individuals may stay in shelter for 45 days and longer with and extension. While in shelter, staff work to help survivor’s secure transitional or supportive housing while they work in a trauma informed environment to address their abusive situations. Individuals needing support and desiring transitional housing are referred to the Bethany transitional housing program where they may reside for up to 24 months. Bethany Apartments provides twelve apartments to domestic violence survivors for up to two years in a clustered site project.

This project will serve individuals when transitional housing is not available or when they desire a permanent housing solution and become eligible when placed on the DV coordinated entry list. Eligible homeless survivors, not residing in shelter or who have become homeless because they are fleeing domestic violence will also become eligible for housing.

The project will provide 4 apartments and provide for a minimum of 11 beds.

Integral to assisting survivors in obtaining suitable housing, voluntary, trauma sensitive case management is vital to survivor and program success. Participants will have access to all services offered at WRC including groups, holistic healing programs, financial literacy programs, employment assistance programs and educational opportunities. Participants will be linked to any other services and programs needed in the community through case management.

4A. Supportive Services for Participants

1. Describe how program participants will be assisted to obtain and remain in permanent housing.

Note: If applying for DV Bonus or DV Reallocation, you must describe how the project will include trauma-informed, victim-centered approaches in their strategies to assist participants to obtain or remain in permanent housing.

Case management is the key to ensuring that participants will receive the services and assistance that they need to remain in permanent housing and not return to homelessness. WRC recognizes that trauma is a factor that complicates the lives of many homeless individuals, but especially those that have experienced domestic violence. Staff are trained to offer all services in a manner that is trauma sensitive. Although all services are voluntary, staff recognize that those who establish goals and work towards them are more likely to become safe, self-sufficient and independent and subsequently remain in permanent housing. Case management will provide participants with opportunities to remove the barriers that interfere with their ability to move on in their lives. For domestic violence victims, safety is of the utmost importance. Staff will provide survivors with legal advocacy and also referrals for legal assistance and other measures that will improve their sense of security. Staff will work to ensure that medical needs are met, that mental health interventions are available, and that services for any substance abuse issues are offered.

Employment services will be provided by local experts who work from a trauma informed approach and also deal with removing the personal barriers that result in challenges to remaining employed and sustaining housing. Residents will be provided with assistance in obtaining childcare services and information regarding parenting. Through a variety of services, program participants will have access to educational and training opportunities to improve their income earning capacities. WRC will also work with individuals to ensure that they have the basic skills needed to live independently and maintain housing. WRC will offer residents assistance with finances and budgets. It is WRC's belief that it is our responsibility to incentivize participation in voluntary supportive services and does so in a variety of ways that include material and financial rewards through other funding sources.

2. Describe the specific plan to coordinate and integrate with other mainstream health, social services, and employment programs for which program participants may be eligible.

WRC has provided housing and services in the Racine Community for over 47 years and has been a member of the local CoC since its inception. WRC is well integrated into the community's social service delivery system. When individuals come to WRC and its programs, they are often in need of a variety of services and referrals. Often health care, and mental health care needs have been neglected while attempting to flee domestic violence. Recent relationships with community outreach programs at both Ascension and Advocate Aurora Healthcare systems has been beneficial to the survivors we serve. These programs recognize the needs of individuals experiencing domestic violence and homelessness. They have been a source of referral to the programs and have also provided contact information and assistance to those needing medical and mental health services. WRC has a working relationship with social service providers who are members of the CoC and others in the community.

WRC through its Bethany housing program has a contractual relationship with Racine Vocational Ministry (RVM) through the Office on Violence Against Women grant. RVM provides wraparound employment readiness and placement services in a manner that is both trauma sensitive and supportive. Additionally, Bethany works with the Racine County Workforce Solutions Center to ensure that participants have access to benefits and employment assistance.

Through case management and collaboration with CoC leadership and members as well as myriad mainstream benefit outlets, the first priority in case management will be to increase family income through employment and mainstream benefits. When participants leave the RRH program, WRC will offer up to six months follow-up supportive services including rent assistance as needed and available using non-HUD resources. Participants will also be assisted in accessing educational programs-GED and other higher educational programs. Coordinated services with community providers is essential to removing barriers that prevent survivors from meeting with success and breaking the cycle of violence that has plagued them. Staff are dedicated to developing and maintaining relationships with all mainstream and supplemental services in the community to ensure that the individual needs of survivors are met.

These VAWA cost categories can be added to a new project application to create a CoC VAWA Budget Line Item (BLI) in e-snaps and eLOCCS. The BLI will be added to grant agreements and utilized the same as other CoC Program BLIs in e-snaps and eLOCCS. Eligible CoC VAWA costs can be identified in one or both of the following CoC VAWA categories. Examples of eligible costs in these cost categories are identified as follows:
